# Graduate Student Placement

Jared Carbone |

Assistant Professor  
Illinois College of Business  
University of Illinois at Chicago

Christopher Goemans |

# Frank S.T. Hsiao

## Four Decades of Outstanding Scholarship, Teaching, and Service

In the field of international development economics, he has published over 100 articles in leading journals and books. He has also co-edited several volumes on international trade and development. His research has been widely cited and has influenced policy-making in many developing countries. He has received numerous awards and honors for his contributions to the field of international development economics.

He has also been recognized for his outstanding teaching and service to the university. He has served as a member of several university committees and has been instrumental in the development of several new programs and courses. He has also supervised many graduate students and has been a mentor to many young scholars in the field of international development economics.

He has also received several awards and honors for his contributions to the field of international development economics.
